ABOUT ME

I'm Kanishk Reddy, a dedicated Computer Science and Engineering student in my second year at SRM University. My passion lies in programming, with a particular focus on front-end development. Known for my strong work ethic, I tackle challenges as a diligent problem solver. I'm committed to creating captivating user experiences through code. I thrive on the intersection of creativity and technology, striving to craft visually stunning and user-friendly web solutions.

WORK EXPERIENCE

Aug 2nd - Present
CodSoft | Virtual Web Development Internship

Web Developer Intern

I am currently serving as a Web Developer Intern at Codsoft, where I actively contribute to various projects and tasks. In this role, I work on web development assignments, applying my coding skills to create effective and efficient web solutions. "My internship at Codsoft enables me to gain valuable experience in the field of web development, enhancing my skillset and expertise.

May 2023 - Jun 2023
Muskurahat Foundation | Fundraising Internship

Fundraising intern

I had the privilege of serving as a Fundraising Intern at the Muskurahat Foundation, a non-profit organization dedicated to providing education opportunities to underprivileged children. During my tenure, I played a crucial role in raising essential funds to support these children's education. I actively engaged with donors and supporters, effectively communicating the Foundation's mission and impact.Through this experience, I honed my fundraising and communication skills, contributing to the Foundation's mission of empowering disadvantaged youth with the gift of education.

Jan 2023 - Aug 2023
Viral Fission | Campus Ambassador

Campus Ambassador

I served as a Campus Ambassador at Viral Fission, India's largest youth network. In this role, I successfully represented the company at my university, fostering brand awareness and engaging with peers to promote our initiatives
